The Emory Lester Set

EMORY LESTER is one of this day's foremost exponents of the acoustic mandolin. The power and attack of his mandolin playing are unmatched, and his sound is infectious. His latest recording, 'Cruisin' the 8', as well as prior landmark instrumental recordings, have placed him among the elite mandolinists of our time. Emory's vocal style has developed over the last few years, and has opened up a new chapter in his music career, bringing to his stage new and exciting vocal material that perfectly compliments his already amazing instrumental show.

The EMORY LESTER SET is an ensemble of bluegrass and new acoustic artists from Ontario Canada, put together to feature Emory's music, both vocally and instrumentally, in the most complete way. Joined by the Set's mainstay members - fiddle player / composer Marion Linton and bassist Kene Hyatt, Emory has also welcomed into the band one of the most exciting young instrumental talents in the music, acoustic guitar wizard / multi-instrumentalist Marc Roy.

Musically pleasing vocals coupled with exciting instrumental skills, original and traditional material with an entertaining presentation make the Emory Lester Set performance one to be enjoyed and long remembered by all.
